Access statement

The Acupuncture & Physiotherapy Practice is committed to providing access to treatment for all

The practice is situated in the centre of Whaley Bridge directly opposite the Railway Station

Bus stops are situated just outside the practice

There is plenty of free parking, on street on Market Street and in a free car park within 5 minutes walking distance

Although the practice is situated on the first floor, help with the stairs can be given if required

The practice is not suitable for wheelchair users, but domiciliary visits can be arranged on request

Patients requiring interpreters can be accommodated

Any exercise sheets or other information can be provided in larger print if required
